

was when China was truly concerned about making a positive impression across the world.

Lastly, and most importantly, to all America's athletes, don't forget this: Your country is behind you. By boycotting the Olympics, our government is shining a light on the CCP's abuse of its citizens and its disregard for the rest of the world, but by competing in the Olympics, our athletes are showing what a free people from an open society are capable of. Now, remember, the Olympics have long been a forum for American victory at the expense of authoritarians' pride. They were an early front in the war against fascism.

Jesse Owens won four gold medals in the 1936 Olympics in Berlin, while Hitler looked on, humiliated, his delusion of Aryan superiority burst. When Owens stood on the podium after winning the long jump, he was surrounded by Sieg Heils, but he stood taller and he stood higher than all of them, saluting Old Glory.

But it was Cornelius "Corny" Johnson who was the first Black American to earn gold in Berlin, winning the high jump. The silver went to Dave Albritton, another American, who was also Black. Delos Thurbur, yet another American, won the bronze. Hitler refused to meet with them or to congratulate any of them.

When they took the podium, all three offered their own protest to the dictator—the Bellamy salute; the palm-out salute of the American flag named for Francis Bellamy, the author of the Pledge of Allegiance.

The Olympics were a battleground in the Cold War as well.

In 1980, the unheralded and ragtag American hockey team upset the four-time gold medal-winning Soviets. Two days later, they defeated Finland and won the gold.

Russia had just invaded Afghanistan. America's economy was in recession. The victory not only shocked the world, it lifted our Nation and sunk the Soviet's spirits. The Russian hockey players didn't even bother to have their silver medals engraved; they were so angry about losing to America.

Now, in 2022, another act in a global power competition will take place at the Olympics. We have seen it unfold in recent days. America and the free West against the communist Chinese Government. It is part of the contest that will define this century—show the CCP that the future belongs to the free; that authoritarian governments always fail the people trapped under them.

Win. Make Xi Jinping and the Chinese authorities hear the "Star-Spangled Banner" and see the Stars and Stripes again and again and again.

We are cheering you on and will be waiting for you when you come home decorated in gold. Good luck to Team USA, and God bless America.

I yield the floor.

I suggest the absence of a quorum.

The senior assistant legislative clerk proceeded to call the roll.

Mr. BOOZMAN. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

BORDER SECURITY

Mr. BOOZMAN. Mr. President, we have a true crisis at our southern border. Those in Washington who refuse to use the word "crisis" to describe the humanitarian and security challenges must accept the disastrous consequences of an open-border policy.

Just look at the numbers from the Department of Homeland Security. More than 2 million illegal immigrants were caught attempting to cross the border last year, and if the Biden administration doesn't get serious about securing the border, we are on pace to repeat or exceed this troubling figure in 2022. In December, 178,840 illegal immigrants were apprehended attempting to cross along this stretch of the border, making it the highest total for that month in Department of Homeland Security history.

I have been here before describing this chaos, but the reality is, it continues to escalate while the administration refuses to take action to stop illegal immigration.

Unsurprisingly, we are seeing the tensions between the Biden administration and Border Patrol officials boil over. These men and women have answered the call to protect and serve. They put their lives at risk to enforce the law and arrest people illegally crossing the border, only to have the administration approve the release of the very criminals the officers locked up. This betrayal by the administration is creating low morale, with some Border Patrol officers choosing to leave the job rather than support this lawlessness and insanity.

Instead of preventing illegal drugs from entering our country, border agents are spending time processing paperwork for illegal immigrants.

Do you know who else is seeing this paperwork? TSA agents. The Department of Homeland Security is allowing these lawbreakers to board airplanes using their Immigration and Customs Enforcement arrest warrants as identification at TSA checkpoints. This is totally absurd. It is a reckless policy that threatens the safety of air travelers and all citizens. The administration must end this practice.

The message coming from the White House is: Our southern borders are open. All are welcome.

This has been a green light for immigrants since day one. It started with migrant numbers increasing along the southern border as they awaited Biden's immigration action, and now we see the result. We have experienced record border crossings, overflowing detention centers, and the release of single adult migrants into the United States, among many other many problems. That is how it is going.

It is not just citizens from Central America and Mexico who are taking advantage of this foolish generosity; people from Syria, Turkey, Russia, Pakistan, Cuba, Haiti, and India are illegally entering the United States along the southern border.

I have been here before on the Senate floor sounding the alarm about the threat this dangerous and indefensible approach to immigration and border security is having on our country. It is threatening our sovereignty and undermining the rule of law.

Instead of implementing common-sense steps to secure the border, the administration has prioritized "border czar" Vice President HARRIS's mission to discover the "root causes" of this crisis while the number of illegal immigrants entering our country is reaching historic levels.

The reality is, this truly is a crisis of the Biden administration's own making. The President reversed policies that were curbing illegal immigration, like the construction of a border wall and the "Remain in Mexico" policy.

We must provide Border Patrol agents with the tools and resources to successfully accomplish their job. That involves enforcing the laws and holding illegal immigrants accountable for their unlawful actions, not helping them board airplanes to travel around the country.

This is a matter of national security. My GOP colleagues and I are ready to get back to the effective strategies we had for controlling the border under President Trump, and it is time President Biden gets on board.

With that, I yield the floor.

I suggest the absence of a quorum.
